

# V FLEX

<http://www.sizu.net> Vol.02

Little bit smaller

Little bit further right.

Little bit thinner and Cut very sharp.

7 colors handle from Northern Europe

It is easy to hang and display and has a comfortable cushion handle

This is an efficient knife and you will be happy just owning one.

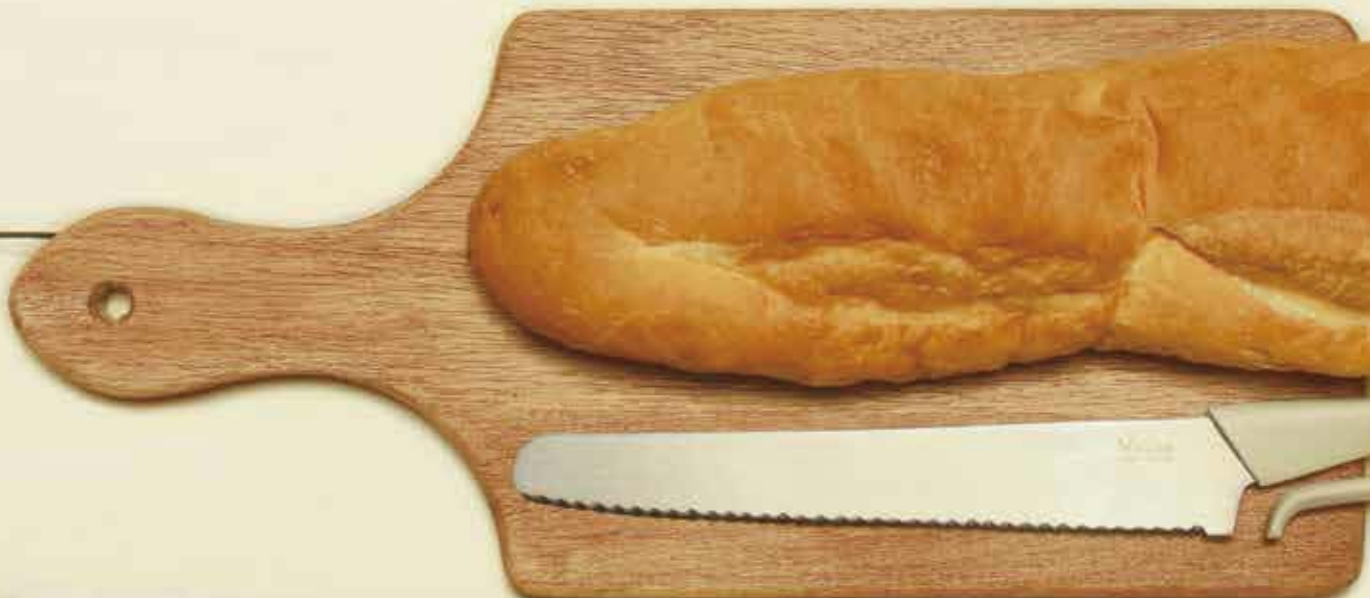

The V flex knife is designed by Mats Longrane, a Finish designer, with a Japanese thread clips motif, and has a characteristic unique handle. The cushioning handle is comfortable to grip, and will make for enjoyable cooking.

Just hang it up when not in use to provide a stylish accent to your kitchen's interior design.

Thin and small stainless steel blade cut clean, suitable for children, student and beginner cooking, alone or with friends, on a kitchen table, at a picnic or camping.

This is an ideal knife, quality made in Japan, at a reasonable price with design and color variation, and easy to store.
